DO NOT CIRCULATE

SUPPLEMENT TO 25X1X
REPORT NO.

1. General Mikhail Mitrofanovich Maltsev, chief of the Wismut AG, was reportedly relieved of his duties and returned to the USSR in late June 1951 and replaced by a General Bugadov (phonetic spelling).
2. As of 14 July 1951, Wismut AG began a campaign to engage 36,000 additional workers, to be used chiefly in mining operations in Thuringia and in the Dimpoldiswalde area in Saxony.
3. There is a rumor that on or about 10 July 1951, eighteen tons of uranium disappeared in the Johanngeorgenstadt area. On that day all trucks moving in the Erzgebirge area were stopped and inspected.
